

Cal Apatite® Forte Capsules provides advanced, bioactive support for healthy bone mineralization with microcrystalline hydroxyapatite concentrate (MCHC)—a calcium-rich, bone-derived supplement that provides a broad spectrum of macro- and trace minerals, Type 1 collagen protein, the intact portion of bone, and bioactive bone growth factors. Cal Apatite Forte Capsules features an exclusive, freeze-dried MCHC that ensures higher levels of intact bone growth factors than other MCHC formulas. This unique formula also provides optimized levels of vitamin D for enhanced bone nourishment.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take three capsules daily or as directed by your healthcare practitioner.

CAUTION: Keep out of the reach of children.

STORAGE: Keep tightly closed in a cool, dry place.

Formulated to Exclude: Wheat, gluten, soy, dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.
