

USAGE: Take 1 capsule per day or as directed by your qualified healthcare professional.

NOTE: Consult a healthcare professional before using this product if you are trying to conceive, pregnant, or lactating, under the age of 18, or have a medical condition; if adverse reactions occur, discontinue use.

Silbinol® (*Pterocarpus marsupium*) is a 100% natural *trans*-Pterostilbene. Pterostilbene is the primary antioxidant in blueberries and a methylated form of resveratrol that exhibits better bioavailability than resveratrol.* ***trans*-Pterostilbene** may be referred to as a calorie-restriction mimetic due to its ability to activate sirtuin enzymes. Sirtuins support healthy aging by regulating gene expression, DNA repair, mitochondrial function and energy metabolism.*

Keep out of the reach of children.

Store in a cool, dry place.
