

GIANT SPORTS DELICIOUS PROTEIN® POWDER ELITE

Giant Sports Delicious Protein Powder Elite represents a quantum leap in advanced flavor technology and the continuing benchmark for just how amazing a protein powder can taste. Giant Sports Delicious Protein Powder Elite contains only whole protein sources with a superior macro-nutrient profile for what may be the most incredibly rich, delicious, and satisfying taste in the history of protein. Get ready to experience "THE HIGHEST STANDARD" in taste and texture: the only product that is worthy of the name "DELICIOUS Protein Powder Elite."

Get ready to "Experience Deliciousity." Get ready to love your protein shake...every single time!
Get ready for Giant Sports Delicious Protein Powder Elite.

HOW TO MIX

SHAKE

Add one (1) level scoop to 6-16 oz (180-460 ml) of cold water or your favorite beverage. Shake for 10-15 seconds. Use 6-8 oz of liquid per one scoop of powder.

STIR

Add one (1) level scoop to 6-16 oz (180-460 ml) of cold water or your favorite beverage and stir until dissolved.

BLEND

Add one (1) level scoop to 6-12 oz (180-460 ml) of cold water or your favorite beverage and blend for 5-10 seconds. You may add 2-3 ice cubes for a frostier shake.

WHEN TO USE: Whey and other milk proteins can be used in the morning, before workouts, after workouts, in the evening or any time of day. Drink 1-4 servings a day depending on your personal protein requirements.

MORE THAN JUST A GREAT SHAKE: Giant Sports Delicious Protein Powder Elite is a great tasting way to incorporate added protein into baking recipes and morning foods such as yogurt and oatmeal. It also makes incredible, authentic soft serve ice cream when mixed with water or your favorite type of milk using an inexpensive ice cream maker!

PROPER NUTRITION: Giant Sports Delicious Protein Powder Elite is best used in conjunction with a well-balanced diet including whole foods and other protein sources. Individual nutritional requirements vary depending on body weight, level of activity, exercise frequency and training intensity. For best results, it is suggested that active/athletic individuals consume a minimum of 1 gram of protein per pound (.454 kg) of bodyweight per day, spread evenly throughout the day.

WARNING: KEEP OUT OF REACH OF CHILDREN. Do not use if you have a known allergy to any ingredient in this product. This product is only intended to be consumed by healthy adults 18 years of age or older. Consult a physician before using this product. Discontinue use and immediately contact your health care professional if you experience any adverse reaction to this product. Follow label instructions and do not exceed recommendations for Suggested Use. Do not use this product if you are pregnant, trying to become pregnant or nursing. This product contains whey and other ingredients derived from dairy and lecithin (to improve mixability) derived from soybeans. Store in a cool, dry place. Do not use if safety seal has been tampered with.
