Elaine Alexander, the late Canadian health researcher and radio producer/broadcaster, collaborated exclusively with Flora to produce **Flor•Essence®**. This purification tea was entrusted to Elaine by Dr. Charles Bruschi, M.D., personal physician to the late President John F. Kennedy. Dr. Bruschi was a partner in research and co-owner with the famous Canadian nurse Rene Caisse in perfecting this formula at his Cambridge, Massachusetts clinic.

Flor•Essence® supports the whole body in its natural elimination process.* **Flor•Essence®** is the only product on the market authorized to carry Elaine's signature on the packaging to vouch for its historical authenticity.

*This statement has not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

meadows; flowers in June.
