

UltraClear® RENEW is formulated to deliver advanced, specialized nutritional support for Phase I, II, and III detoxification, with enhanced support for the body's natural alkalization and heavy metal metabolism processes. Formulated in a base of 14.5 g OptiProtein®—12 g of proprietary, vegan pea/rice protein and 2.5 g of added amino acids—this novel formula features xanthohumol as XNT ProMatrix®, broccoli sprout and floret powder as Brassinase™, and prune and pomegranate extracts to promote healthy cellular activities. UltraClear RENEW also features glycine and magnesium sulfate to support Phase II detoxification activities, along with N-acetyl-L-cysteine, green tea catechins, and beta-carotene and vitamins C and E to provide antioxidant support.*

Directions: Shake canister before scooping. Blend, shake or briskly stir about 2 level scoops (36 grams) of UltraClear RENEW into 8 fluid ounces of chilled water or juice twice daily or as directed by your healthcare practitioner. For highly sensitive individuals, consider reducing consumption to ½ to 1 scoop with 4-5 ounces of chilled water or juice twice daily during the first 3-4 days before starting a full daily dose.

Warning: Not for use in patients with severe kidney disease or those with raised serum potassium levels or taking certain diuretics, cardiac, bladder or asthma medications. Excess vitamin A may contribute to a risk of birth defects. Pregnant women and women who may become pregnant should not exceed 3,000 mcg of preformed vitamin A (retinyl palmitate) per day unless instructed to do so by a healthcare practitioner.

Caution: Recommended to be taken only as directed and under the supervision of a licensed healthcare practitioner. Do not use if pregnant or nursing. Keep out of reach of children.

This product is non-GMO and gluten-free.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
