**Triple the Omega-3
In Only 1 Softgel!**

Our formula contains a super high concentration of 70% Omega-3 fatty acids, providing from 1400 mg of fish oil. While regular fish oils typically contain 300 mg of Omega-3 from 1000 mg of fish oil, our formula uses additional purification steps to concentrate the essential fats while removing unwanted impurities. Omega-3 fatty acids are essential for joint health and help maintain triglyceride levels already within a normal range.*
