BAUSCH+LOMB
PreserVision®
Eye Vitamin
& Mineral Supplement

The original Bausch + Lomb
PreserVision® AREDS Formula
was the only antioxidant vitamin
and mineral supplement proven
clinically effective in the
Age-Related Eye Disease Study
(AREDS).*

Medical experts recommend an
AREDS vitamin for ALL
people diagnosed with
moderate-to-advanced AMD.

AREDS was a 10-year, independent study
conducted by the National Eye Institute
(NEI) of the National Institutes of Health
(NIH) that established the benefits of
AREDS supplementation for people with
moderate-to-advanced AMD.
