BAUSCH+LOMB

# PreserVision®

Eye Vitamin & Mineral Supplement

Bausch + Lomb PreserVision® AREDS Formula Soft Gels are based on the original, clinically-proven PreserVision® AREDS Formula, the one and only antioxidant vitamin and mineral supplement proven effective in the Age-Related Eye Disease Study (AREDS).\*

AREDS was a 10-year, independent study conducted by the National Eye Institute (NEI) of the National Institutes of Health (NIH) that established the benefits of AREDS supplementation for people with moderate-to-advanced AMD.
