

DIRECTIONS: As a dietary supplement, take one (1) teaspoon daily mixed with juice, hot water (as a tea) or other liquid. Add honey or sweetener if desired.

The need for vitamin C has never been greater. Stress, environmental pollution, age and health, as well as biochemical individuality, all help to dictate our daily requirements for this essential nutrient. Unlike most other animals, humans cannot make their own vitamin C. With vitamin C being part of more than 300 bodily functions, life itself depends on daily replenishment.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

Keep tightly closed. Store at room temperature: 59°-86°F (15° to 30°C). **KEEP OUT OF REACH OF CHILDREN.**

Mfg. in an FDA Registered Facility using Good Manufacturing Practices (GMPs)
