

DIRECTIONS: As a dietary supplement, take 1 capsule twice daily.

Ester- C[®] ascorbate, a revolutionary form of vitamin C, is the most bioavailable form developed.

Metabolites in Ester-C[®] ascorbate help the vitamin get into the bloodstream faster and in larger amounts, penetrate white blood cells more efficiently, and waste only a fraction of what other vitamin C's "send down the drain".

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

FDA Registered Facility (Registration #1023013)

Mfg. under Good Manufacturing Practices (GMPs)

Keep tightly closed.

Store at room temperature: 59°-86°F (15° to 30°C).

KEEP OUT OF REACH OF CHILDREN.

Ester-C[®] is a registered trademark of Ester-C[®] Company.

U.S. Patent Nos. 4,822,816; 5,070,085; 6,878,744

and corresponding foreign patents.

Other U.S. and foreign patents pending. ***Ester-C***

Conforms to USP <2091> for weight. Meets USP

<2040> disintegration for maximum bioavailability.
