

CandiBactin-AR® features concentrated essential oils from red thyme and oregano blended with other herbal extracts from the aromatic mint family. The traditional use of red thyme oil is focused on supporting the health of the gastrointestinal and upper respiratory tracts.

The encapsulation of these oils in a softgel allows them to be blended with dry leaf extracts of sage and lemon balm. These herbs are added to the formula for their potent antioxidant properties, which protect and stabilize the fragile essential oils, as well as for their added benefit in supporting healthy digestive function.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take one softgel three times daily before or with meals or as directed by your healthcare practitioner.

CAUTION: If pregnant or nursing, or taking medication, please consult your healthcare practitioner before use. Keep out of the reach of children.

Formulated to Exclude: Wheat, gluten, corn, dairy products, nuts, tree nuts, fish, crustacean shellfish, artificial sweeteners, and preservatives.
