

Fast Acting Energy, Mood, & Focus Support†

SNS Dynamine capsules contain 100% Pure Dynamine. This is very important to note because many powdered Dynamine products on the market use Dynamine 40% because it is easier to flavor. SNS Dynamine capsules bypass this issue and deliver 125 mg. of pure Dynamine per capsule.

That means that it would take a whopping 312.5 mg. of Dynamine 40% in a pre-workout to give you the same amount of Dynamine that is in 1 SNS Dynamine capsule!†

DYNAMINE HIGHLIGHTS:

- Fast Acting Energy†

- 100% Pure Dynamine†
- 125 Mg. Dynamine per Capsule

Dynamine capsules can be stacked with SNS Focus XT, Alpha Yohimbine Caps, PEA-500 Xtreme, or a variety of other SNS products for improved synergistic results†
