

Suggested Use: Take 2 tablets once daily after dinner.

BP Dove is formulated specifically to help promote normal blood pressure. A relaxed heart, flexible arteries, and balanced blood volume all contribute to healthy blood pressure levels. Clinical research suggests that the nourishing ingredients in BP Dove help promote normal blood pressure and also help ease stress and support restful sleep, both necessary for healthy blood pressure. They also provide antioxidant support for general wellness.*

Store in a cool, dry place, out of reach of children.
Do not use if seal under cap is broken or missing.

Caution: Talk with your doctor before using BP Dove. Not recommended for those who are under 18, pregnant, or nursing.
