*% Daily Value based on a 2,000 calorie diet

**Percent Daily Value Not Established

Manufactured for Distribution by: Serious Nutrition Solutions, LLC. Danville VA 24540

Suggested Use: As a dietary supplement, use four (4) softgels per day with meals. For best results, on workout days take 4 softgels 45 minutes prior to working out. On non-workout days, take 4 softgels per day. Advanced Users may take up to six (6) softgels per day.

Note: Some individuals only use X-Gels on the days that they work out; however, the majority of the research on Arachidonic Acid is based off of using it both on workout days and non-workout days.

WARNING: This product is intended for healthy adults over 18 years of age. Do not take this product if you are pregnant or nursing. Consult with your physician before using this or any dietary supplement, especially if you are taking any medication(s), or suffer from any health conditions. Do not take this product if you have a history of diabetes, asthma, high blood pressure, high cholesterol, arthritis, heart disease, stroke, colitis, irritable bowel syndrome, cancer, prostate enlargement, gastrointestinal surgery, or any inflammatory disease. Keep stored in a cool, dry place away from children and animals.
