

Ceralin® Forte is formulated to provide multidimensional support for brain and nerve health by protecting against oxidative stress, as well as supporting healthy mitochondrial function, methylation, homocysteine metabolism, and circulatory function. Designed to act within the brain and nervous system, this advanced formula features L-5-MTHF (a bioactive form of folate), NAC, and acetyl-L-carnitine—which research suggests may be able to cross the blood-brain barrier—along with concentrated grape seed extract for enhanced neuroprotection.*

♦These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take three capsules daily or as directed by your healthcare practitioner.

CAUTION: Do not use if pregnant or nursing. If you have a history of kidney stones or seizures, or are taking medication, consult your healthcare practitioner before use. Maintain adequate fluid intake while taking this product. Keep out of the reach of children.

Formulated to Exclude: Wheat, gluten, soy, dairy products, colors, artificial sweeteners, and preservatives.
