

Ceriva™ is formulated to support healthy cognitive function and memory—particularly in those with age-related concerns—by beneficially modulating the metabolism of the neurotransmitter acetylcholine.*

♦These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Two softgels daily or as directed by your healthcare practitioner.

WARNING: Do not use if pregnant or nursing.

CAUTION: For adult use only. Avoid use if taking acetylcholinesterase inhibitors or cholinergic medications, or if you have a seizure disorder, cardiac arrhythmia, benign prostatic hypertrophy, asthma, chronic respiratory condition, peptic ulcer, inflammatory bowel disease, or malabsorption syndrome. If taking medication, including blood thinning medications, consult your healthcare practitioner before use. Do not exceed recommended dosage.
