KEEP OUT OF REACH OF CHILDREN.

Conforms to USP <2091> for weight. Meets USP <2040> disintegration for maximum bioavailability.

CAUTION: If you are pregnant or nursing do not take this product.

Evening primrose oil is one of the richest sources of Gamma-Linolenic Acid (GLA). Gamma-Linolenic Acid is a precursor to prostaglandins, action-specific biomolecules which regulate many important functions in cells. Soy isoflavones are naturally occurring compounds which provide nutritional support during menopause.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
