

DIRECTIONS: As a dietary supplement, take 2 capsules just prior to each meal. Experience indicates that LipoSan Ultra® works best if you have sufficient liquid volume in the stomach during the course of the meal. Too little liquid and the LipoSan Ultra® may not be able to fully dissolve and, thus, not be able to fully perform its fat binding function. For this reason we recommend that you drink at least 8 oz. of water with the meal.

LipoSan Ultra® "Its patented manufacturing process substantially increases solubility and provides clinically proven weight loss."

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

Mfg. in an FDA Registered Facility using Good Manufacturing Practices (GMPs)

Conforms to USP <2091> for weight. Meets USP <2040> disintegration for maximum bioavailability.

Keep tightly closed. Store at room temperature: 59°-86°F (15° to 30°C). **KEEP OUT OF REACH OF CHILDREN.**

CAUTION: Those with shellfish allergies should exercise caution in taking chitosan supplements. This product is not intended for children under the age of 12 or for pregnant or lactating women. Products containing vitamins A, D, E and K should be taken at least 4 hours before or after taking this product.
