

SUGGESTED USE: Take 1 to 2 capsules one to three times daily.

St John's Wort is very popular in Europe where it is favored for its ability to support a balanced state of personal well being. * This assured potency formulation is made from the same type of St. John's wort extract used in major research studies. Our extract contains 0.3% hypericin, the same level of this important constituent used in clinical trials. Concentrated, standardized extracts of Valerian root and Passion Flower herb are added to the standardized St. John's Wort extract to optimize the natural benefits of this exceptional dietary supplement. This balanced approach to formulation of dietary supplements ensures all naturally occurring constituents are available.

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

WARNING: Use sunscreen during exposure to the sun while using this product. If you are pregnant, nursing or taking any prescription medication do not take this product.

Keep tightly closed. Store at room temperature: 59°-86°F (15° to 30°C). **KEEP OUT OF REACH OF CHILDREN.**
