

TRU NIAGEN®

UNLOCK YOUR CELLULAR ENERGY*

Tru Niagen® increases your NAD+, a vital coenzyme used to fuel your body's energy engines (mitochondria). Your body utilizes NAD+ every day for daily activity. NAD+ levels decline with age and under metabolic stress. Use Tru Niagen® to increase your cellular energy production and promote cellular repair.*

Take your Tru Niagen® on the go with these convenient single-serving packets that easily mix into your favorite cold or room-temperature beverage.
