

Suggested Usage: Take 1 capsule daily.

NOW® Activated Broccoli features TrueBroc®, an ingredient that has 13% glucoraphanin from broccoli seed. Glucoraphanin works indirectly by activating enzymes that neutralize free radicals to support healthy aging.* It also enhances the body's ability to detoxify metabolites and pollutants encountered in everyday life.* These effects are long-lasting, with cellular health benefits that last up to 72 hours.* Mustard seed powder possesses the enzyme myrosinase and is included to trigger the conversion in the body necessary to activate and maximize beneficial effects.*
