

DIRECTIONS: Take 2 capsules two times daily, preferably with morning and evening meals.

MyoMalic™ is a rich source of Malic Acid and Magnesium. These nutrients are involved in energy production in many cells of the body, including muscle cells. Malic Acid, found in apples and many other fruits, is an important intermediate in an energy producing metabolic process known as the Krebs Cycle. Magnesium is an essential cofactor for the production of energy in muscles. Malic Acid and Magnesium have been blended with other nutrients and botanicals for maximum activity.

Mfg. in an FDA Registered Facility using Good Manufacturing Practices (GMPs)

TAMPER EVIDENT: Do not use this product if imprinted foil seal under cap is broken or missing.

Keep tightly closed. Store at room temperature: 59°-86°F (15° to 30°C). **KEEP OUT OF REACH OF CHILDREN.**

Other ingredients: K-gelatin, calcium carbonate, vegetable magnesium stearate.
