Supplement Facts

Serving Size: 1 Capsule

Monster Proprietary Blend

400 mg

Horny Goat Weed (Epimedium), Eurycoma Longifolia Extract, Fructus Tribulus Terrestris, Lycium Fruit Extract, Cordyceps Sinensis Extract, Shilajit, Dong Quai, Maca Root Extract.

Directions:

Take (1) one capsule 60 minutes before any physical activity. For best results, consume with warm water. Some have experienced optimal results consuming (1) capsule in the morning on an empty stomach and then a second capsule 60 minutes before physical activity.

Cautions:

Do not consume more than two capsules in one day. Store in a cool dry place. Keep out of reach of children. If you have medical conditions, please consult a doctor or medical professional before usage.
