**C-Ultratabs™** features vitamin C in the form of mineral ascorbates, to deliver high levels of vitamin C in a short period of time. In addition to its well known function as an antioxidant nutrient, vitamin C plays an important role in immune function and collagen production. Collagen is found in tissues throughout the body, including skin, bones, and teeth. The vitamin C in C-Ultratabs is non-acidic to reduce the risk of gastrointestinal upset sometimes associated with high vitamin C intake.

These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

**DIRECTIONS:** Take one tablet daily or as directed by your healthcare practitioner.

**CAUTION:** Keep out of the reach of children.

**STORAGE:** Keep tightly closed in a cool, dry place.

**Formulated to Exclude:** Wheat, gluten, corn protein, soy, animal or dairy products, nuts, tree nuts, fish, crustacean shellfish, colors, artificial sweeteners, and preservatives.
