Herbal support for general well-being.*

What is astragalus?

Astragalus, from the *Astragalus membranaceus* plant, is an herb native to China that has been used for centuries as an adaptogen and restorative tonic.* An adaptogen is a substance that can help the body adapt to stress, bringing back homeostatic balance after exposure to an internal or external stimulus.

Vitacost Astragalus Root Directions

As a dietary supplement, take 3 capsules with food daily, or as directed by a healthcare professional.

Store in a cool, dry place.
