

Trancor® is formulated to support a sense of tranquility by helping to modulate the balance between the calming influence of GABA and the excitatory effects of glutamate. This advanced formula features NAC and taurine—which research suggests may be able to cross the blood-brain barrier—along with EGCG from green tea, vitamin B₆, and magnesium for targeted neurological support.*

Directions: Take two capsules twice daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Warning: Do not use if pregnant or nursing.

Caution: If you have congestive heart failure, kidney disease, or are taking medication—including anticoagulants—consult your healthcare practitioner before use. Maintain adequate fluid intake while taking this product. Keep out of the reach of children.

Storage: Store in a cool, dry place.
