

PB assist^{Jr}

dōTERRA

PB Assist Jr is a powdered probiotic supplement designed for children or adults who have trouble swallowing pills. It includes 5 billion live cells of a unique blend of six different probiotic strains, specifically selected for their benefits among children. These probiotics have been encapsulated to ensure they reach the intestines safely and are blended into a delicious powder that can be poured directly into the mouth for a fun and tasty way to integrate probiotics into anyone's daily routine.*
