

Culturelle® Kids Immune Defense leverages a powerful blend containing scientifically proven probiotics† along with naturally-sourced elderberry, plus vitamin C & zinc. It helps keep your little ones feeling their best all year long:

LGG® Probiotic

LGG® strain is the most scientifically studied probiotic in children‡ & helps protect their immune health by activating the power of their microbiome.*

Elderberry, Vitamin C & Zinc
Made with real elderberry fruit, these chewables taste great & deliver zinc & the antioxidant vitamin C to help support your child's immune system.*

Bilayer Tablet

Storage Instructions: Store Culturelle® in a cool, dry place away from direct sunlight.

Tamper Evident: Product is sealed within a vial. Do not use if any part of the vial is torn, open or damaged.

When first taking Culturelle®, your child may experience minor bloating, gas or intestinal gurgling which should subside with continued use. Consult your healthcare professional if symptoms persist after two weeks.

For questions, concerns or to report an adverse event, please call (800) 722-3476.
