

Suggested Use

Take 3-4 capsules on an empty stomach one to two times daily or as directed by your healthcare provider. Do not exceed suggested use.

This product has a tamper evident seal under the cap. Do not use if seal is broken or missing. Store at room temperature, in a dry place.

If you are pregnant or nursing, consult your healthcare provider before use. Keep out of reach of children.

Calm PRT contains ingredients that when taken at below the suggested use may cause over-excitation, jitteriness, or agitation.
