

Cal Apatite® Chewable with great tasting, kid-approved Natural Chocolate flavor provides bioactive support for healthy bones. Cal Apatite Chewable features an exclusive, freeze-dried, purity certified MCHC that provides intact bone growth factors associated with positive outcomes in clinical studies. MCHC is a calcium-rich, bone-derived supplement that provides a broad spectrum of macro- and trace minerals, Type 1 collagen protein, the intact portion of bone, and bioactive bone growth factors. This unique formula also provides additional chelated minerals and vitamin D for enhanced bone nourishment. Cal Apatite Chewable is excellent for children and individuals who find it difficult to swallow tablets.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Children age 2 to adults take three tablets daily or as directed by your healthcare practitioner.

CAUTION: Excess consumption of sorbitol may cause gastrointestinal upset. Children age 12 and under should not exceed the recommended serving size. Keep out of the reach of children.

Formulated to Exclude: Wheat, gluten, soy, dairy products, fish, crustacean shellfish, nuts, tree nuts, colors, artificial flavors, and preservatives.
