

Suggested Use: Mix one (1) serving in 8-12 oz of water and consume 15 minutes prior to intense exercise. New users should not exceed one serving initially in order to assess tolerance. Experienced users and those above 250lbs may find two (2) servings to be most effective. It is important for all users to increase water intake throughout the day and during workouts when using this product. On off days users should still consume half of a scoop in the morning on an empty stomach. For best results only take JAKKED X for a maximum of 8 weeks followed by a 4 week off period.

Warning: Do not exceed the recommended dose. This product is for healthy adults 18 years of older. Keep out reach of children. Never combine this product with any other sources of caffeine or other stimulants. This product may interfere with prescription drugs. Consult your physician before using this dietary supplement. Do not use this product if you are at risk or currently being treated for high blood pressure, heart, kidney, thyroid or psychiatric disease. Difficulty in urinating, prostate enlargement, seizure disorder or stroke. Do not use this product if you are pregnant or nursing. Do not use this product if you are sensitive to stimulants.
