

Caution: If you are pregnant, nursing, have diabetes or if you are taking any medications, consult a healthcare professional before use. While **Gluten Defense™** will reduce the level of reactive gliadin and gluten proteins in a meal, it is advised that celiac disease sufferers continue with their normal gluten exclusion diet as even small amounts of gliadin can cause adverse reactions in the most sensitized individuals.

‡Gluten from grains and casein from dairy.

Keep out of reach of children. Safety sealed with inner seal. Do not use if seal is broken or missing. Keep tightly closed. Store at room temperature. Avoid excessive heat and direct sunlight.

Contains no dairy, or artificial colors, flavors, or preservatives.
