

Just Thrive® Precision PREbiotic™ - Similar to how fertilizer helps your garden thrive, prebiotics are the fibers that help beneficial bacteria thrive. The problem with many prebiotics is that they feed good and bad bacteria. That's why *Just Thrive®* developed a cutting-edge Precision PREbiotic formulated to support only the growth of our beneficial bacteria, supporting optimal digestive and immune health**.

Just Thrive® Precision PREbiotic™ prepares the digestive tract for all the beneficial microbial changes created by *Just Thrive®* Probiotic & Antioxidant, for a strong and diverse microbiome**.

DIRECTIONS: Ages 4+: Start with ½ scoop daily for 1 week, then increase to 1 scoop daily with or without food, or as directed. Mix powder with 16 oz. of cold water or blend into your favorite beverage. Children under age 4: please consult your healthcare provider.
