

Just Thrive® Precision PREbiotic™ - Similar to how fertilizer helps your garden thrive, prebiotics are the fibers that help beneficial bacteria thrive. The problem with many prebiotics is that they feed good and bad bacteria. That's why Just Thrive® developed a cutting-edge *Precision PREbiotic™* formulated to support only the growth of our beneficial bacteria, supporting optimal digestive and immune health*.

Just Thrive® Precision PREbiotic™ prepares the digestive tract for all the beneficial microbial changes created by **Just Thrive® Probiotic & Antioxidant**, for a strong and diverse microbiome*.

DIRECTIONS: Ages 4+. Take 4 capsules daily with or without a meal, or as directed by your healthcare practitioner. **Do not use if safety seal is broken.**

CAUTION: If you are pregnant or nursing, taking any medication, or have a medical condition, consult with your doctor before using this product. Keep out of the reach of children.
