

The human body produces **Glucosamine** naturally, and it is mainly found in the fluid that is around the joints.* Our **Glucosamine** is derived from Non-GMO corn rather than shellfish or other animals.*

MSM is an efficient source of **sulfur** which is an important element for the formation of collagen and is required by many of the body's structural molecules.*

CMO and, **Boswellia** herb extract are included as additional ingredients.* **CMO** we use is derived from the kombo-nutmeg rather than the usual beef tallow.

KEEP OUT OF REACH OF CHILDREN. STORE IN A COOL, DRY PLACE. TAMPER EVIDENT: DO NOT USE IF IMPRINTED SEAL UNDER CAP IS BROKEN.

FOOD SENSITIVITY: Free of yeast, wheat, gluten, sugar, shellfish, soy, animal products, byproducts or derivatives.
