

Multigenics® Intensive Care is a potent yet gentle vitamin and mineral formula that features high quality ingredients designed for optimal absorption and bioavailability. Rapid tablet disintegration allows quick release of the micronutrients. This comprehensive formula is suitable for adolescents, adults, and seniors, and features:*

- Calcium L-5-methyltetrahydrofolate—a body-ready folate
- Caro-xan®, our proprietary blend of beta-carotene and Betatene® mixed carotenoids for antioxidant protection

Directions: Take six tablets daily with meals or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Warning: Excess vitamin A intake may increase the risk of birth defects. Pregnant women and women who may become pregnant should not exceed 3,000 mcg of preformed vitamin A (retinyl acetate) per day.

Caution: If pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Tamper Evident: Do not use if safety seal is missing or broken.

Storage: Keep tightly closed in a cool, dry place.
