PEA60

PEA has been shown to support bodily comfort and increase subjective measures of quality of life. Patent-pending PEA Relief is a unique blend of palmitoylethanolamide (PEA) and organic, full-spectrum hemp oil extract shown in a preclinical study to enhance the presence of PEA in the blood circulation.*

Directions: As a dietary supplement, take one softgel twice daily or as directed by your healthcare practitioner.

This product is non-GMO and gluten-free.

Caution: If pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

Notice: This product is sourced from industrial hemp, which does not exceed 0.3% THC concentration (dry weight).

Storage: Keep tightly closed in a cool, dry place.

Based on government limit of detection protocols and default Maximum Residue Limits (MRLs), which are usually 10 parts per billion (ppb) for all pesticides.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
