Fastest Body Fuel™
Same Day Recovery™
No Bloating*
No Crashing*

Vitargo® is the fastest, university-proven body fuel to power your performance and recovery. Elite fueling for hard training is the ideal system to expand the boundaries of human endeavor, sustain metabolic balance, and form a sculpted physique.

Our mission doesn't stop there. When you fully fuel your training you also support your body's needs throughout the rest of your day. Our goal is to empower your desire to train hard and meet the intense demands of a full life.

MIXING INSTRUCTIONS:

How to Mix:

In a shaker bottle with a whisk ball

Start with 10 oz. of water

Add 1 scoop(s) of Vitargo

SHAKE vigorously

Add more water for desired consistency

Ready, Set, Gulp!

WHEN to Take

Before, between, or during exercise/competition

* You can mix in your favorite non-carb supplements (protein, pre-workouts, amino acids, electrolytes). Vitargo rapidly empties from your stomach—bloat-free fueling!

After-training/competition

* Take 1 to 2 scoops as soon as possible after finishing. Vitargo can be combined with your favorite post-workout, zero/low carb supplements (like protein powder). For optimal recovery follow supplementation with a nutrient-rich meal.

Scoop Guide

GENERAL CARBOHYDRATE GUIDELINES

1 scoop
per hour

Fuels moderate intensity exercise

2+ scoops
per hour

Fuels high intensity exercise
