

SAMe

NERVOUS SYSTEM SUPPORT

200 mg

- Supports Cartilage Production*
- With B-Vitamin Cofactors

30 Tablets

A Dietary Supplement
Vegetarian/Vegan

ENTERIC
COATED

SUGGESTED USAGE: As a dietary supplement, take 1 tablet 1 to 2 times daily, preferably on an empty stomach.

Refrigeration recommended after opening.

SAMe (S-adenosylmethionine), a compound native to the body, is a critical component of many biochemical reactions, including those that affect brain biochemistry and joint health. SAMe is critical for the synthesis of neurotransmitters, is important for energy production in the brain, contributes to the maintenance of healthy cell membrane function, and influences cartilage metabolism. NOW® SAMe is enteric-coated, which makes it very well tolerated and protects it from degradation.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Individuals with bipolar (manic) depression and those with anxiety disorders should not take SAMe unless under professional medical supervision. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

CODE 0137B V4
