

EstroFactors® is designed to relieve mild mood swings, breast tenderness, cramping, and occasional sleeplessness associated with premenstrual syndrome and other hormone-related issues. This unique formula features natural selective estrogen receptor modulators (SERMs) and L-5-methyl tetrahydrofolate to support multiple aspects of estrogen metabolism.*

♦These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

DIRECTIONS: Take three tablets daily with a meal or as directed by your healthcare practitioner.

CAUTION: Not recommended for pregnant or nursing women. The effectiveness of oral contraceptives for birth control cannot be ensured while taking this product. If taking medication, consult your healthcare practitioner before use. Keep out of the reach of children.

WARNING: Excess vitamin A intake may be toxic and may increase the risk of birth defects. Pregnant women and women who may become pregnant should not exceed 5000 IU of preformed vitamin A (retinyl palmitate) per day.
