

Bluebonnet's Potassium 99 mg Vegetable Capsules are formulated with potassium from reacted potassium aspartate. Potassium is a mineral and is the principal positive ion in cells. It is used by the body to support multiple functions including muscle contraction, normal kidney function, nerve health, and cellular nutrient transfer.♦

Free of milk, egg, fish, crustacean shellfish, tree nuts, peanuts, wheat and soybeans.

Also free of corn, gluten, barley, rice, sodium and sugar.

Minerals are shown in their elemental value.

Bluebonnet's KOF-K Certification #K-0000700

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition.

Keep out of reach of children.

♦ These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
