ORGANIC SHATAVARI POWDER

ASPARAGUS RACEMOSUS

Net Qty. : 16 oz (454g)

ORGANIC SHATAVARI POWDER

ASPARAGUS RACEMOSUS

- Shatavari is the main rejuvenating traditional herb for women. It may support maintenance of healthy female reproductive organs. Shatavari is also considered to be a source of plant driven estrogen, hence making Shatavari a healthy choice for women, menopausal & postmenopausal women.
- May support reproductive health by toning and nourishing the female reproductive organs.
- May help maintain healthy hormonal balance.
- May support normal function of the immune and digestive system.

Warning :

*Pregnant or lactating women are advised to consume herbal products under the advice of the healthcare practitioners.

*Storage: Store in a cool dry place away from direct sunlight. Keep out of reach of children. Do not use if pouch is broken.

*Being natural product, colour may vary over time as well as from batch to batch however effectiveness remains same.

*Please consult an expert before use. MRP is applicable for sales within India only.
