High Quality Natural Products

—YASHTIMADHU—

GLYCYRRHIZA GLABRA

—YASHTIMADHU—

GLYCYRRHIZA GLABRA

• Yashtimadhu or licorice has been a mainstay of traditional texts. The plant is prized for its roots, which contain glycyrrhizic acid. It's considered to be good for the adrenal glands. It may support healthy digestion.

- It is considered to be a natural tonic aiding the liver and respiratory system
- May support normal digestive system functions
- May support oral health

Warning :

*Pregnant or lactating women are advised to consume herbal products under the advice of the healthcare practitioner.

*Storage: Store in a cool dry place away from direct sunlight. Keep out of reach of children. Do not use if pouch is broken.

*Being natural product, colour may vary over time as well as from batch to batch however effectiveness remains same.

*Please consult an expert before use. MEP is applicable for sales within India only.
