

Bluebonnet's Omega-3 Fish Oil Brain Health Softgels are formulated with a specific ratio of DHA and EPA to help support brain function, mood, and focus by utilizing ultra-refined omega-3s from wild-caught fish.♦

Free of milk, egg, crustacean shellfish, tree nuts, peanuts, wheat and soybeans.

Also free of corn, gluten, barley, rice, sodium and sugar.

*Every batch is tested for environmental toxins, including heavy metals. All fish oils are in the triglyceride form and surpass the strictest international standards for purity and freshness.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Do not use this supplement two weeks before, after surgery, or with blood-thinning medication. Keep out of reach of children.

Made in USA from imported ingredients.
