

Directions: As a dietary supplement, take one capsule daily or as directed by a healthcare practitioner.

Bluebonnet's Nucleotide Complex 500 mg Capsules contain a complete array of nucleotides, including adenosine, cytidine, guanosine and uridine, which are the necessary basic building blocks of RNA, DNA and ATP - the energy molecule. This nucleotide complex is carefully derived from torula yeast and helps support immune function. Available in easy-to-swallow vegetable capsules for maximum assimilation and absorption.♦

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition.
Keep out of reach of children.

Bluebonnet's KOF-K Certification #K-0000700
