

Suggested Use:

As a dietary supplement, take two capsules per day on an empty stomach with a glass of water, or as recommended by your healthcare professional.

NMN: Nicotinamide mononucleotide is a direct precursor to the anti-aging NAD+ coenzyme. It promotes DNA repair, energy metabolism and gene silencing for healthy aging.*

Warning:

Do not take if you are pregnant or breastfeeding. Consult your health care professional before using this or any other dietary supplement. Keep bottle tightly closed and out of reach of children. Store in a cool, dry place away from excessive heat. Do not use if seal under cap is broken or missing.
