CODE 0436 V6

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.
Do Not Eat Freshness Packet. Keep in Bottle.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

SUGGESTED USAGE: As a dietary supplement, take 1 capsule daily with a meal. Consider taking these other NOW® products: Factorial®, Super Cortisol Support and Tri-C BioComplex™.

B-100 Caps provide a full complement of B-Vitamins plus Choline and Inositol. Together, these vitamins work to support energy production, maintain healthy serum levels of homocysteine and promote a healthy nervous system. B-Vitamins are water soluble and with the exception of B-12, they are not stored in the body. They thus require daily replenishment. While B-12 is stored in the liver, dietary sources are of animal origin only (meat and dairy). Therefore, supplementation with B-12 may be especially important for vegetarians.*

B-100

NERVOUS SYSTEM HEALTH

- B-Complex for Maximum Effectiveness
- Supports Energy Production*

100 Capsules

A Dietary Supplement

Supplement Facts

Serving Size 1 Capsule
