EXTREME ENERGY*

PRE-WORKOUT AID* • DIETARY SUPPLEMENT

PRE-WORKOUT FORMULA
FOR MAXIMUM ENERGY*

WEIGHT MANAGEMENT*
AND FITNESS SUPPORT*

120 CAPSULES 30 DAY SUPPLY

RECOMMENDED DOSE (Adults ≥ 18 years): As a dietary supplement, take two (2) capsules of TRIMTHIN® X700 with 8oz of water 2 times daily, approximately 30 minutes before meals. Wait 3 to 4 hours between each dose. This product is intended to be used along with a calorie reduced diet and regular exercise program. Do not take within 5 hours of sleep.

DURATION OF USE: For occasional use only. Consult a health care professional/doctor/physician for use beyond 12 weeks.

RISK INFORMATION: Stop use and consult a health care professional/doctor/physician if you: develop symptoms of liver trouble such as yellowing of the skin/eyes (jaundice), stomach pain, dark urine, sweating, nausea, unusual tiredness and/or loss of appetite. Consult a health care professional/doctor/physician prior to use if: you are breastfeeding or have a liver disorder or an iron deficiency; you have high blood pressure, glaucoma, and/or overactive bladder syndrome (detrusor instability); you are of childbearing age; you have any type of acute infection. Avoid taking with health products or foods that contain caffeine and/or increase blood pressure (e.g., medications, coffee, tea, colas, cocoa, guarana, mate, bitter orange extract, synephrine, octopamine, ephedra, ephedrine). Caffeine has been shown to reduce blood flow to the heart muscle during exercise which might lead to cardiovascular complications such as chest pain, and irregular heartbeat even in healthy individuals. If those symptoms occur, stop use and consult a health care professional/doctor/physician. Do not use this product if: you are pregnant; you have had a heart attack/myocardial infarction; you have high blood pressure. Rare, unpredictable cases of liver injury associated with green tea extract-containing products have been reported (in Canada and internationally). Stop use if hypersensitivity/allergy occurs. Some people may experience gastrointestinal discomfort (such as diarrhea). This product is not intended as a substitute for sleep.

Store under normal storage conditions (dry, well-ventilated premises at 15-25°C (59-77°F). Avoid direct light. Store away from children.

Do not use if seal under cap is torn, broken or missing.
