L-Lysine is an essential (free-form) amino acid that helps support collagen production, healthy hair and a healthy immune system.[§] As the human body cannot create its own L-Lysine, it must be derived from diet and supplementation.

No artificial colors, flavors, or preservatives added.

WARNING: If you are pregnant or nursing, taking any medication, or have any medical condition, consult a health care professional before use.

KEEP OUT OF REACH OF CHILDREN.

Keep tightly closed in a cool, dry place.

[§]These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
