

DIRECTIONS: As a dietary supplement, add one scoop (3.5 g) to 6 to 8 fl oz of cold water, juice or sports drink and mix or shake until smooth. Mixes instantly without the use of a blender.

EXTREME EDGE® NITRO

can be combined with Extreme Edge® Pre Workout on an empty stomach 30 minutes prior to training or competition for a supercharged workout. And for quicker muscle recovery, combine with Extreme Edge® Post Workout or Extreme Edge® Whey Protein Isolate 30 minutes after training or competition. ♦

EXTREME EDGE® NITRO is designed to be one of the most effective nitric oxide boosting products ever created. It features clinically studied Nitrosigine®, a patented complex of bonded arginine silicate stabilized with inositol, that has been

KEY FEATURES

- ✓ Featuring clinically studied Nitrosigine®
- ✓ Free of artificially-derived colors, flavors and sweeteners or added sugar
- ✓ Vegan/Vegetarian
- ✓ Free of most allergens (e.g., milk, gluten & soy)

scientifically engineered to significantly boost nitric oxide (NO) levels. NO is a key factor in promoting the relaxation of smooth muscle in blood vessels, thus increasing blood flow to the heart

and working muscles. Optimal blood flow allows you to sustain a high level of training intensity taking your workouts to a whole new level! Use it once, and you will never train without it again! ♦
